

Introduction

When a delegation travels to a provincial team event, GNL can appoint a **Chef de Mission** to act as team leader. As senior leader he/she will be responsible for decision making, discipline, leadership, support to coaches and managers and act as liaison between event organizers and team members. The Chef de Mission for GNL is usually the Executive Director but at times can be another individual appointed by the Board of Directors.

Team Managers are selected based on an application process. The final selection process is made by the Chef De Mission in consultation with program representatives. Team managers have a varied range of responsibilities not limited to Chaperone, Liaison and coordinator. Managers are responsible for a designated group of athletes for all non-competitive activities. Together with other managers and the coaches they will determine daily schedules for those athletes assigned to them. Activities can include shopping, sightseeing, relaxation time and watching other NL athletes compete. However, the most important is to ensure that the athletes arrive for scheduled training and competition at designated times and to ensure the GNL Code of Conduct is adhered to.

Team Coaches are selected based on regulations outlined in the Programs Manual and named through their respected clubs. Coaches are expected to represent Team NL at all technical meetings and to communicate all information and decisions arising from the meeting to the remainder of the delegation. Team coaches will also provide support to the management team when team leaders require assistance in managing the teams activities and travel to and from the event.

Team Judges attending these events as representatives of GNL do so in a qualified, objective and impartial manner. It is imperative that other delegation members respect the need for a professional detachment from the team while still being considered full team members. Judges will be available to provide assistance to the Team coaches during training times.

The following document outlines the Team Travel Policy and expectations of team members. Please review, sign and return to GNL March 17, 2017.

Team Travel Policy and Code of Conduct (revised Sept 2016)

Section 1: General Information

Welcome to Team NL. Based on your child's performance this year, they have been invited to join the provincial team for travel to out of province competitions. Please remember that this is just an invitation. You as the parent will make the final decision. You know your child best and can gauge if they are ready to travel without you. Please review the following policy to ensure that you and your child fully understand the rules and restrictions for team travel.

- GNL Provincial Team will attend the Atlantic Canadian Championships (Atlantics), Eastern Canadian Championships (Easterns) and the Canadian Championships where applicable. Team members, once selected, are expected to attend all competitions they are eligible for.
- Team travel is open to any athlete born up to and including 2006. Athletes born in 2007 or later must travel independently from the team.
- All applicable forms must be completed and submitted by the registration date for the selection meet (Provincial Competition)
- All NL CWG athletes, coaches & managers will be governed by this policy.
- The coach/manager becomes responsible for the athlete as soon as it is time to check in at the airport counter. Should athletes have different travel arrangements, the safety of the athlete is completely with responsibility of the parent/guardian, until arrival with the team.
- All travel arrangements will be administered by GNL; as travel information is available it will be passed on to all clubs and parents will be informed. Athletes are required to travel with the team and all athlete accommodations shall be hotel, with the other gymnasts and coaches. An athlete may stay with their parents where permission is granted for special occasions. However, for the goals of each trip, it is highly recommended that all athletes stay with the team. Athletes will be accommodated four to a room unless otherwise stated.
- Should the athlete travel alone a letter from the parent/guardian will be required by GNL releasing GNL of all responsibility for the athlete until the points of convergence with the team manager are mutually agreed upon. Unless "special travel arrangements" are made by the parent/guardian with the airlines for example, where the athlete is under the supervision of the airline during travel, GNL shall not enter into any agreement with regard to responsibility of the athlete. There must be a point of convergence and release/acceptance of responsibility between the parent/guardian and the manager/GNL.
- When an athlete is permitted to travel other than with the team, a "Letter of Release/Responsibility" shall be signed by the athlete's parent / guardian / adult responsible and team manager prior to departure.
- All provincial team athletes are required to cost-share the expenses of team managers where GNL funding is not available. Cost-sharing shall include, but not limited to, the cost of registration, travel, ground transportation, per diem (when applicable) and accommodations as arranged by GNL. GNL will fully fund two managers to Atlantics & Eastern's and one coach to Nationals
- Athletes must wear team tracksuits for travel and at the competition venue. Provincial competition wear must be worn on the competition floor. No club colors or competition wear.
- Coaches/Managers shall be informed of any special consideration for the gymnasts that are in their care and control. Such information includes medications and schedules, medical conditions, allergies, religious practices, etc.
- All Participation Waivers and Medical Release forms for the travel competition's, must be received with the selection competition registration.

- GNL will collect 80% of travel costs up to three weeks before travel date. Clubs will be notified before provincials on the amount to collect and parents will have to ensure payment is made. Clubs will notify GNL of any unpaid travel fees at this time and GNL will inform the athlete(s) that they will not be permitted to travel. The remaining 20% will be due 7 days following being invoiced.
- All athletes, coaches, judges and parents must follow the GNL Code of Conduct.
- Failure to do abide by the Code of Conduct may result in the athlete, coach judges being expelled from the team and returned home at the parent's expense.

Section 2: Individual Expenses

- All provincial team athletes shall be responsible for their own expenses: registration, travel, ground transportation, meals and accommodations as arranged by GNL
- All provincial team athletes traveling together shall equally cost-share the cost of travel when the team is charged a group expense such as bus, ferry, air charter and ground transportation for example.
- All provincial team athletes shall equally cost-share the cost of group accommodations as arranged by GNL.
NOTE: For some events accommodations and meals are provided for and there is a set fee per participant.
- If an athlete is returned home from a competition due to gross misbehavior or illness, the parents of the athlete shall be solely responsible for any additional costs associated with this early return, including any property damages that have occurred. The parents of the athlete will be contacted with particulars of the circumstances before final arrangements are made

Section 8: Information for Parents

Information for Parents:

It is a requirement of these Rules and Regulations that the parent and coach bears the responsibility for preparing athletes in such a way as to leave no doubt whatsoever of precisely what conduct is expected of them when participating in any program, event or competition sponsored or sanctioned by GNL.

- Please know the Code of Conduct. Please review and explain it to your child.
- Team Travel can be both challenging and rewarding. Our goal is to build as much team cohesion as possible in a short time. It is very feasible to manage several teams of athletes. It becomes very difficult, if not impossible, to manage 50 individuals. With that in mind, we are asking you to support us in managing your child as a member of Team NL. We do not want to restrict you from accessing your child. However, we are asking you to limit visiting with your child during Team NL trips.
- **Injured/Sick Athletes-** If a child becomes ill or injured during the trip, it will be at the discretion of the managers and not the parents if that child can stay with the team. Should the injury be unmanageable by the managers, parents will be contacted and arrangements for alternate supervise will be agreed upon.

Parents please observe the following requirements

- Parents are invited to attend the team meeting prior to team NL travel for a Code of Conduct orientation with the Team Chef/ Manager.
- Athletes will sit as a team, eat as a team, travel as a team and observe the competition as a team.
- Athletes will stay in the host hotel with members of their team. Athletes are generally housed 4 per room. Whenever possible, athletes are grouped with other athletes from their team in their room based on schedule. We make every effort to ensure younger athletes, when available, have adjoining rooms with a manager/coach.
- Prior to competing, the athletes will remain as part of the team and are not able to participate in extracurricular activities (dinners, shopping or tourism) with their family.
- Parents are **not** to spend time in athlete's hotel rooms and are asked to contact the team manager before coming to the hotel. It is feasible to meet with your child in the lobby of the hotel or dormitory. Please make those arrangements with the team manager so they know where your child is at all times.
- Please let the team manager know how to contact you so you can be reached if your child requests it. Please remember that they will be very busy managing the teams and we would like to minimize the requests if possible.
- **If traveling to the competition, please book at a hotel other than where the team is staying**
- **Please support team management by not calling or texting your child between 8:30 p.m. – 9:00 a.m.**
- **Breaches of the Code of Conduct by parents, or as a result of parents will result in sanctioning against the athlete following the procedure as set out in the Code of Conduct. Any parent acting in a manner unbecoming to the spirit of sport will first be given a warning. If the behavior continues the parent will be asked to leave the competition venue. If the parent does not comply, their child will face disciplinary action.**

The following information will help make the trip more enjoyable for your child

Your child will be entering a new environment and will have to adapt to some changes. They will experience different coaches, meals, and sleeping environment. Since it is not possible for us to replicate each child's home environment, we need to help the children to adapt.

Athlete pre-requisites

In order for athletes to be prepared for this type of trip, they should have experienced some activities where they have been away from their family overnight (a sleep over with friends).

If this is the first time the athlete has ever been away from their parents, they are not likely ready to participate and enjoy the event. Please help athletes to come prepared.

Participation on the GNL travel team is by invitation and is not mandatory. As the parent, you know your child best and will be the one to determine if he/she are prepared to travel within the guidelines set out in the Code of Contact.

Code of Conduct Declaration of Understanding for Athletes

Athletes or coaches will not be allowed to travel with the team if they do not have all forms signed and returned to Gymnastics NL or the Team Coach. **Forms must be received with the team selection competition registration.** Please make sure that you have read and understood the Code of Conduct. Here are the most important rules that all athletes must remember.

- Team NL is an environment where no alcohol or drugs will be tolerated. Any violator will be sent home immediately, at their family's expense.
- At no time is it permitted for an athlete to go in the room of an athlete of the other sex.
- All athletes must request permission from their chaperone / manager to leave the group, gym or residences. In other words, the chaperone / manager must know at all time where you are.
- Athletes may not be alone at any time. Always have a buddy with you. Your buddy must be from NL (not an athlete from another province). Depending on your age, your manager / chaperone may approve that you leave the group by yourself.

Athletes must respect curfew time as outlined in this document or as set by manager. In case of violation to any rules, disciplinary measures will be taken. The severity of the violation will determine the disciplinary measure being taken (Warning, Yellow Card, Red Card, with possibility to be sent home immediately, at the family's expense).
